## *Vision*

To be at the forefront of rectitude & employ best practices in the beauty and skincare industry, be it research, innovation or customer satisfaction. A pledge to win hearts by embracing nature's secrets & revolutionize the market with our effective yet economical products.

## *Mission*

Hammé Naturals aims to create products that not only bring about effective results but also provide you the goodness of nature to boost your self-confidence. We believe everyone deserves self-love irrespective of gender and it is what's on the inside that makes you stand out! We strive to help you actualize your true potential through self-love, complemented with natural ingredients that pose no harm to your skin.

## *Brand Philosophy*

“

**Our brand philosophy is based on the 3 basic principles:**

**Keep it Natural:** We believe that nature has already provided the best self-care solutions. One just has to utilize them in an optimal way. At Hammé Naturals, we pick out original ingredients from all around the world to provide you an exotic self-love experience, enriched with nature's abundant benefits.

**Catering to customer needs:** We not only create products, we formulate them according to specific customer requirements. We accommodate all kinds of skin, hair and body related issues that might pose a hindrance to your self-confidence.

**Being who you are:** We believe in embracing the natural complexion, form and appearance you possess by birth. Being perfect in your own way, you don't need to mould yourself to social constructs of beauty. All you need is a bit of self-care to make sure you are the best you today and forever. ”

### RICH MOISTURISING DAY CREAM

**Hammé Naturals Rich Moisturising Day Cream**, enriched with the goodness of cocoa + shea butter & extract of honey and almond oil, is formulated for dry & sensitive skin to provide deep moisturisation & whitening effect with regular use. SPF-30 protects against harmful sun rays & sun tan.

# DAILY ESSENTIAL SOOTHING MOISTURISER ALOE VERA

**Hammé Naturals Soothing Moisturiser Aloe Vera** humectants in aloe vera bind moisture to the skin. Using it as a moisturiser can help stimulate both collagen and elastin fibers, boosting the elasticity of your skin. This could mean fewer fine lines and wrinkles.

# DAILY ESSENTIAL PAPAYA WHITE MOISTURISING CREAM

**Hammé Naturals Papaya White Moisturising cream** this 24-hour moisturiser is perfect for all skin types. The natural, soothing AHA acids found in the formula support the skin's renewal process while superfood extracts obtained from organic papaya smooth the skin. The combination of ginkgo extract, aloe vera and hyaluronic acid delivers moisture and soothes the skin.

# DAILY ESSENTIAL BRIGHTENING MOISTURISER VITAMIN C

**Hammé Naturals Brightening Moisturiser** this fresh, lightweight gel formula will give your skin a daily boost of radiance and hydration. With vitamin C, it awakens and clarifies your complexion, revealing a natural healthy looking glow.

# DAILY ESSENTIAL DEEP MOISTURISER WITH HYALURONIC

**Hammé Naturals Deep Moisturiser with Hyaluronic** contains hyaluronic acid that has been broken down into small elements capable of penetrating the skin. While it provides moisture, it may not be the most hydrating option, making it ideal for individuals with oily or combination skin, as these skin types should avoid excessive moisturisation.
